Product review is conducted according to the policies in the current OMRI Policy Manual™ and based on the standards in the current OMRI Standards Manual™. To verify the current status of this or any OMRI Listed product, view the most current version of the OMRI Products List™ at OMRI.org. OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator’s responsibility to properly use the product, including following any restrictions.
